

Human Resource Association of Southeast Michigan Receives Prestigious SHRM Award for Advancing the HR Profession

Adrian, MI, March 17, 2016 — The Society for Human Resource Management (SHRM) recently awarded the Human Resource Association of Southeast Michigan its prestigious EXCEL Silver Award for the Human Resource Association of Southeast Michigan's accomplishments in 2015.

The award is part of the SHRM Affiliate Program for Excellence, which aligns individual chapters and councils' activities with SHRM's aspirations for the HR profession. The award recognizes accomplishments and strategic activities and initiatives that enhance the human resources profession.

“SHRM rewards chapters and councils that demonstrate a strong commitment to advancing the human resources profession through service to the community, local networking and professional development activities,” said Henry G. (Hank) Jackson, president and CEO of SHRM. “Advancing the HR profession is at the heart of what SHRM does and Human Resource Association of Southeast Michigan work this year helps us further showcase that mission.”

The EXCEL award can be earned at four levels: bronze, silver, gold and platinum, and each level has a prescribed set of requirements and accomplishments that have to be met. The Human Resource Association of Southeast Michigan will receive recognition in SHRM publications and conferences, a certificate of recognition, and a special banner to display at its meetings and events.

The Human Resource Association of Southeast Michigan was also recently awarded a 15 year SHRM affiliation chapter award.

The Human Resource Association of Southeast Michigan would like to thank the community for allowing us to provide our HR services, such as joining us for quarterly roundtables, the opportunity to work with local school districts and local university students in shaping their expectations in job hunting, and the opportunity to support Siena Heights University SHRM branch and their events by lending our expertise.
