VISION: LEARNING HOW TO THINK WITH THE END IN MIND

John Beiter, PH.D, will lead us on a conversation about how a vision can be turned into a habit. Participants will be taken through an experiential learning process to set a vision based on her/his unique values. Outcomes included improved communications, measurable performance attributes, improved revenue and goal attainment, as well as improved interpersonal and cross-cultural relationships. Mr. Beiter has over 30 years of business experience in both the corporate and clinical/health care environments. He is a highly motivated and inspirational coach having earned advanced degrees in all functional areas he has worked.
